

FP.C&G.2.2

Summarize the functions of North Carolina state and local governments within the federal system of government (e.g., local charters, maintain a militia, pass ordinances and laws, collect taxes, supervise elections, maintain highways, types of local governments, etc.).

Students will understand:

1. A nation's written constitution often reflects the agreed upon powers of government and the fundamental principles by which people live. (Structure of government, separation of powers with checks and balances, federalism)
2. The regulation of resources, act of policymaking, and implementation of laws often are based on the government's role and responsibility to ensure the safety and welfare of the people. (Structure of government, separation of powers with checks and balances, federalism)

Students will know:

1. The principles of the current North Carolina Constitution (Structure of government, separation of powers with checks and balances)
2. The functions of state and local governments. (Structure of government, separation of powers with checks and balances, federalism)
3. The responsibilities and duties of state and local government. (Structure of government, separation of powers with checks and balances, federalism)
4. How and why government responds to social and economic changes.
